

ASES SUSTAINABILITY DIVISION

JOB OPENINGS ☺

June 24, 2007

Great News! Great Opportunities to Engage and Create !!!

Job Openings ☺

Sustainability Division Representative on the ASES Board of Directors
Sustainability Division Leaders: Chair, Vice Chair, Newsletter/Sec/Tres

DETAILS

It turns out that our Sustainability Division will have a seat on the ASES Board of Directors again this 2008-2011 period. This means that, in addition to putting up nominations for new division leaders, we also need board member nominees for the fall ASES ballot. The full Sustainability Division will vote for the division leaders and the full ASES membership will vote for the Sustainability Division Board of Directors Representative. This is great news.

PROCESS

- We need 2 people nominated for the Board position: 1 is elected. We need 3 people nominated for Division Leadership. The person who receives the most number of votes for division leadership will be the Chair; the runner-up will be Vice Chair; and the third, will be the Newsletter/Secretary/Treasurer Lead. You can be a nominee for both the Board and for the Division Leadership.
- It is very important to **let me know as soon as possible** if you want a nominee for these great jobs. The list of nominees needs to be finalized by the end of Solar 2007.
- If you would like more info on the positions (i.e., duties and how much fun it is to be a leader of this division and a board rep), please give me an email or a call (303-442-6866) TODAY ☺
